

## Office of the Commissioners of Tapey Beercone

Dear New Player,

On behalf of the entire Buckos Nation, I'd like to take the opportunity to welcome you to not only the game of Tapey Beercone, but also into a deeply symbolic and treasured portion of our lives.

We of the Buckos Nation take great pride in what we have created here, as it is the product of more than a decade of friendship. That being said, the Official and Governing Rules of Tapey Beercone and the Annals of Tapey Beercone are far from complete, data is being added retroactively as it is remembered. A season of Tapey Beercone consists of 2 calendar years, from 1 January through to 31 December of the following year. The most important thing to know about the structure of this document is that the game has grown in phases that have seen inconsistent growth in specificity. The Official and Governing Rules of Tapey Beercone is a living document, always open to interpretation and discussion, but guided by a proud tradition of sportsmanship. Bear with us as this process can be vocal, silly, and tedious.

Tapey Beercone features a world class statistics gathering system. We've come a long way from just recording who won and lost, but you will find that we take great pride in the integrity of our game. Each at bat, no matter the outcome, becomes a part of the Annals of Tapey Beercone and only serves to enhance the story that is our national pastime. Your participation in the coming game grants you the illustrious position of Delegate in the Tapey Beercone Beer Congress, to which you will become a part of the development of this great living game and the history of our great nation.

But I digress. We are extremely excited to welcome you into our game. Please, enjoy a beer, the outdoors, and the friendly, albeit vocal, competition.

As we say in our Nation, "Non Desinas Nobis Nunc!"

"Don't Stop Us Now"

Sincerely,

Eric "The Hammer" McAvoy  
Co-Founder and Co-Commissioner of Tapey Beercone
